**RE: Continued Reciprocity of Concealed Pistol License**

Dear Merrit L. Dublin,

I am contacting you from the Office of the Attorney General of Washington State for your assistance in updating our list of states with reciprocity for concealed pistol licenses. Washington's reciprocity statute, RCW 9.41.073, requires the Office of the Attorney General to periodically publish a list of states that meet the statute's requirements.

Washington recognizes other states' concealed pistol/handgun licenses when their statutes meet the following conditions:

- 1) Recognizes and gives effect in that state to a concealed pistol license issued under the laws of the state of Washington;
- 2) Does not issue concealed pistol licenses to persons under twenty-one years of age;
- 3) Mandatory fingerprint-based background checks for criminal history; and
- 4) Mandatory mental health history check.

Please let me know if your state's concealed weapons law has changed since 2018 by completing the attached questionnaire and returning it to us by April 30, 2020.

Thank you in advance for your help and cooperation. If you have any questions or concerns, you can reach me at (206) 389-2127 or at [Dionne.PadillaHuddleston@atg.wa.gov](mailto:Dionne.PadillaHuddleston@atg.wa.gov).

Sincerely,

DIONNE PADILLA-HUDDLESTON  
Assistant Attorney General
